7th February 2012

Dear Parents / Carers,

On the reverse of this letter you will find our topic web for Term 4 - "Day & Night"

Please can you help your child to think about our topic at home by trying some of these activities:

- research information about nocturnal animals
- draw around some shadows , if we are lucky enough to have a sunny day!
- look at paintings by Vincent Van Gough, for example 'Starry Night'
- keep a dream journal - children to record in simple sentences/pictures what they have dreamt
- wildlife survey (see letter from Mrs Hodkinson)

Next term we will be visited by a travelling zoo. They will be bringing in a selection of nocturnal animals for the children to see and interact with. Do check out their website www.impeyan.net and see if you can guess which animals they will bring! We will be asking for a small donation towards this and a letter will go out to you after half term.

Please contact your class teacher if you have any questions.

Yours sincerely
Year Two Teachers
